

We rise by lifting others

CHRISTIAN SHARING PROGRAM

Covenant HealthShare's health care sharing ministry program is about doing right by the people we serve: providing comfort and support through prayer, reducing healthcare burdens through mutual aid and benevolent giving, and lifting up and empowering the Christian community through neighborly assistance and charitable gifts.

WHAT WE DO

Covenant HealthShare seeks to glorify God by providing a Christ-centered, value-driven alternative healthcare option to our members from across the United States. We are a national, nonprofit 501(c)(3) organization providing Christians the opportunity to share in one another's eligible healthcare needs through voluntary membership in a faith-centered health care sharing ministry program administered by Covenant HealthShare. We facilitate the voluntary sharing of healthcare expenses among our members, but Covenant HealthShare is not insurance; our vision is to create a global community of Christians that lift each other's burdens through the Word of God and encourage a healthy lifestyle for Christ.

This is NOT insurance.

WHO WE ARE

With a legacy of health care sharing within our community dating back nearly 30 years[†], Covenant HealthShare is the cornerstone between ministry and healthcare. Our health care sharing ministry program is grounded in the Christian traditions of mutual aid, neighborly assistance, and burden sharing by and among our community of members who share a common set of religious beliefs and voluntarily commit to share in the payment of one another's eligible healthcare expenses in accordance with those beliefs. Covenant HealthShare facilitates the collections and distributions made by and through our membership community. As a national, nonprofit 501(c)(3) organization we strive to serve as a catalyst for good in the world by sharing the Word of God through our faith-based outreach and benevolent giving initiatives supporting our members and other charitable organizations. ([†]Please see page 4).

Covenant HealthShare is built on the rich legacies of medical benevolence and charitable philanthropy of the Cathedral of Faith Church of God in Christ. Founded in 1907 by Bishop Charles Harrison Mason, the Church of God in Christ (COGIC) is now the largest Pentecostal denomination in the United States, with congregations spread throughout all 50 states and over 100 countries around the world.

INVESTING IN OUR COMMUNITIES!

We are expanding our ability to spread the Word of God through our health care sharing ministry program by engaging conventions, churches, congregations, ministries, and other Christian and nonprofit organizations, as well as their individual members/congregants, to assist us in our efforts to further our mission. In exchange for an organization's assistance in facilitating growth of the Covenant HealthShare membership community and extending the reach of our ministry through education, networking, and promotion of the personal and community benefits and support available through membership in Covenant HealthShare's health care sharing ministry program, we are offering an opportunity for such organization to share in our successes. By helping us to further our mission and goals, the organization will be eligible to receive a recurring donation for a segregated portion of monthly member gift contributions. It's easy to become a part of our movement in support of our mission; all you have to do is spread the Word!

† Covenant HealthShare, Inc. (Covenant HealthShare) operates its health care sharing ministry as a successor-in-interest to the historical medical benevolent giving program established by its predecessor, a nonprofit 501(c)(3) ministry, that has been making regular benevolent distributions to members of its congregation and the communities it serves to assist such individuals with medical and other healthcare costs and expenses since 1991 (the Program). As its successor, Covenant HealthShare has formalized the Program and expanded the charitable and benevolent reach of the Program beyond its predecessor's ministry to support all persons nationwide who have accepted Jesus Christ as their Savior, and subscribe and commit to live in accordance with the teachings of the Bible and their faith in God.
